*-Enlightening Minds*

*'The Mind is not a pot to be filled,  
but a lamp to be lighted!'*

**Brochure - 2024**

# The Brand

Sadhana Publications is one of the budding publishing companies of India, established in 2014.

Our books are well-thought of, exhaustively researched and designed, to provide high quality standards to the level of understanding of the child.

We have our Editorial Board comprising of a committed, dedicated and competent team of writers & editors with extensive knowledge and experience. They continuously strive for quality and keep the pace with emerging trends in the educational market while developing the learning resources.

We promise to offer the best services in the industry and provide our books at an affordable cost.

## Motto

Enlighten minds of our younger generation by making their learning meaningful and easy.

## Mission

- ☛ To provide quality educational books with rich content.
- ☛ Enable every student to build a strong foundation in their basic learning.

## Vision

- ☛ To pioneer and excel in all facets of publication of school books for children.
- ☛ To make a difference in the global market and be in the hands of every child.
